an online, on-demand video course

Suing Securities Professionals

Approved for one hour of
Illinois MCLE credit

James Eccleston

Course Instructor

Preview the entire course for free

In this course you will learn:

- What obligations securities professionals have to their clients
- How to win a case against a securities professional
- What goes on in industry-sponsored arbitration
- How to effectively use experts in evaluating, preparing, and proving securities cases

James Eccleston is a leading authority on securities litigation and arbitration. He has spoken to nationwide audiences on television and radio, and he has authored numerous articles on investor protection in securities investment.

The MentorCLE advantage:

- **Free** – View the course without charge. Pay our low price only if you want MCLE credit.
- **Convenient** – View online at your office – at home – anywhere – anytime.
- **Interesting** – Engaging interview format.
- **Relevant** – Presented for Illinois attorneys, by Illinois attorneys.

No tests to take

MentorCLE is presented by Professional Education Resource Corp., an Illinois attorney-owned company.
